### Internal Quality Assurance Cell (IQAC)

#### Functional Committees and Responsibilities

- Various committees have been framed in our college in order to redress the problems and grievances of the students.
- For every committee, a senior faculty member was designated as Chairman/Convener.
- Every committee has been defined the roles and responsibilities
- It is the responsibility of the chair/convener to convene the meeting as frequently as possible among the members to discuss the issues related to the responsibilities assigned to the concerned committee.
- Based on the nature of the problems arise, the chair/convener will take necessary remedial actions. If the remedial action requires attention of the Management, then it will be immediately brought to the notice of them for necessary action.
- This kind of work culture will resolve the problems as and when they arise and make the remedial system effective
