The Director **Short Term Training Programme** Faculty Development Cell All India Council for Technical Education Nelson Mandela Marg, Vasant Kunj, New Delhi- 110070

Respected Sir.

Subject: Submission of STTP completion report along with documents, which was conducted in our institution from 22nd March – 27th March (Ref No: 34-66/11/FDC/STTP/Policy-1/2019-20)

We whole heartedly thank AICTE for accepting the proposal and providing adequate funds for conducting the short term training program. Our institution had conducted STTP on "Artificial Intelligence and Machine Learning: Basics and Principles" during the period 22nd to 27th March 2021. This was sponsored by AICTE, New Delhi. We are herewith submitting the training completion report along with all the required documents as per the guidelines of AICTE. Kindly acknowledge the receipt and do the needful

Thanking you,

Program Coordinator Dr Veeresh Chandra M S

Dr R Ranganatha

Head of the Department Department of Mechanical Engineering

3.J.C.1.1... CHICKEALLAPUR - 582 101 Yours faithfully,

Dr G T Raju

From

Director. Faculty Development Cell, AICTE, New Delhi-110070

To

The Drawing and Disbursing Officer, All India Council for Technical Education, Nelson Mandela Marg, Vasant Kunj, New Delhi - 110070

Sub: Release of grant for conduct of Short Term Training Programme (STTP) under AQIS 2019-20 during the financial year 2020-21- reg.

Sir,

This is to convey the sanction of the Council for payment of Rs. 339667 /- (Rupees Three Lakh ThirtyNine Thousand Six Hundred SixtySeven Only) for conduct of Short Term Training Program as per details given below:-

1.	Name and address of the beneficiary	S J C INSTITUTE OF TECHNOLOGY
	University / Institution	P B NO. 20, B B ROAD, CHICKBALLAPUR,
		CHICKBALLAPUR (DISTRICT)
		Karnataka
		S62101
2.	Permanent ID of Institute	1-10645161
3.	Institute type	Unaided - Private
4.	Name of Coordinator	Dr. VEERESH MUNDASADA
5.	Amount sanctioned	Rs. 339667/-
6	Amount to be released	Rs.339667/- Full & final payment
7.	Head of account	601.15(a) Gen. Short Term Training Programme (Plan)
8	The authorized officer in whose favour	REGISTRAR / DIRECTOR / PRINCIPAL
	Cheque/ Demand Draft/ RTGS is to be made	
9.	Title of the programme	Artificial Intelligence and Machine Learning: Basics and
		Principles

- 1. The amount of the grant shall be drawn by the Drawing and Disbursing Officer, All India Council for Technical Education on the grant-in-aid bill and shall be disbursed to and credited to the Registrar/ Director/Principal of the institute through RTGS.
- This grant-in-aid is being released in conformity with the terms & conditions as well as norms of the scheme as already communicated, and also being communicated in this letter.
- 3. The Principal of the Institute and the Coordinator of the Program are requested to verify the correctness of the under-mentioned Bank Account / RTGS Details submitted by them alongwith the proposals, in which the grant is being released:-

PAN No.	Bank Name	Bank Branch Name	Bank Branch Address	Account Holder Name	Account Type	Account Number	IFSC Code
AAATS35 84P	STATE BANK OF INDIA	CHICKBALLAP UR	PB.NO :2,NO21/1, VV COMPLEX, B.B.ROAD, CHICKBALL	The Principal SJCIT BE	Saving Account	54039295851	SBIN004008 2

Instructions/Guidelines to be followed by the University/Institution

I. Disbursement of funds to University/Institutions

- a. The full amount of the grant sanctioned is being released as advance to the University/Institute.
- b. The amount spent by the institute on the conduct of STTP shall be adjusted on the basis of utilization certificate and detailed expenditure statement submitted by the University/Institution on the prescribed format along with other mandatory documents viz feedback form, copy of proceedings and completion report etc.
- b. The above said amount of grant shall be refunded back to AICTE if the Letter of Approval (LOA) / Extension of Approval (EOA) is not issued by AICTE to the institute for the academic year 2020-21.

II Maintenance of Accounts

- a. The Institute shall strictly follow the provisions laid down in the scheme document as available on the portal.
- b. Funds covered by this grant shall be kept separately and would not be mixed up with other funds so as to know the amount of interest accrued on the grant.
- c. The University/College/Institute shall maintain proper accounts of the expenditure out of the grants, which shall be utilized only on approved items of expenditure.
- d. The grant is intended to cover items of expenditure connected with the Short Term Training Programme such as Boarding & Lodging to the participants, TA to outstation participants, Honorarium to Course Coordinator, reading material to participants, Honorarium to resource persons, TA/DA to resource persons including two outstations resource persons & working expenses (reprographic services, postage, transport, daily wages, tea/coffee etc.

III. Conduct of test and issuance of certificate

A test shall be conducted by Program Monitoring Committee (PMC) at the end of the program and joint certificates shall be issued (by AICTE & conducting institute) to those participants who have attended the program and have scored minimum 60% marks in the test.

IV. Submission of Documents by the University/Institutions to AICTE

- a. The following mandatory relevant documents are required to be submitted by the University/Institution within one month of the completion of the program:-
 - Original Statement of actual expenditure & Utilization Certificate in the prescribed proforma duly signed by the Head of the institution and countersigned by Registrar/Finance Officer/Govt. Auditor. In case of self-financing/private institutions, Statement of actual Expenditure & Utilization Certificate are required to be audited & signed and sealed by a Chartered Accountant endorsing the membership number and complete postal address. Format for the same is available on AICTE web portal.

1

The University/Institution is not required to submit bills/vouchers/invoices etc for the expenditure incurred out of recurring grants. However, such copies of bills/vouchers/invoices shall be digitized by respective institutions receiving grant and uploaded scanned copies of such bills/vouchers/invoices etc on the portal for availability and view at any point of time.

- (ii) Feedback form in the prescribed proforma.
- (iii) Copy of the proceedings and completion report.
- (iv) List of candidates who have successfully completed the program on the basis of the test conducted by Program Monitoring Committee (PMC).
- (v) Report submitted by Program Monitoring Committee (PMC).
- b. The amount of the grant shall be adjusted on submission of utilization certificate & detailed expenditure statement by University/Institution. On receipt of these documents, the total amount of financial assistance, admissible as per the norms, shall be worked out and grant-in-aid adjusted.

V. General instructions

- a. Preferably 10% of the participants may be industry professionals deputed by industry. Further, not more than 2 participants shall be from the host institution/group of institutions.
- b. The grant released/or part thereof, if remains unutilized for any reason after expiry of stipulated time period (for any reasons to include unspent amount, interest, penalty if imposed) shall be refunded back to AICTE in the form of RTGS payable to Member Secretary, AICTE, New Delhi. The bank details of AICTE are as under:-

Account No : 55113199952

Name of the Account Holder : Member Secretary, AICTE, New Delhi

Bank Name : State Bank of India

Branch Name : Shastri Bhawan, New Delhi

IFSC Code : SBIN0050203

- c. The STTP is a residential program of a duration of six days with minimum 40 participants. The approved STTP shall be conducted within six months from the date of release of funds.
- d. If programme is not conducted within the period of six months of the release of the 100% grant, the released amount, alongwith interest accrued thereon, has to be necessarily returned back to AICTE within a month through RTGS.
- d. The expenditure under the Heads 'Honorarium to Course Coordinator' and 'Honorarium to Resource Persons' shall not exceed 1% & 20% respectively of the total sanctioned grant for the Programme. However, overall expenditure shall not exceed the funds sanctioned for the Programme.
- g. Any extra money required to complete the programme must be borne by the institute from their own resources. But the quality of the activities should not be compromised.
- h. Any unavoidable circumstantial change in the program with respect to name of Project Coordinator, Venue and date for organizing STTP would mandatorily require prior approval of the Council. All such requests should be addressed to AICTE, in advance, recording the specific reasons for proposed changes, failing which the offer for the grant already issued would be treated as automatically withdrawn and the financial assistance released in favour of the beneficiary institution shall be refunded immediately to the Council. Kindly mention the File No. 34-66/11/FDC/STTP/Policy-1/2019-20 in your future correspondence.
- i. Steering Committee/Project Monitoring Committee (PMC) is required to be constituted at institutional level. The constitution of the PEC shall be as under:
 - (i) Principal/Director/Registrar of the institution (Chairperson).
 - (ii) (ii) Coordinator of the program (Member Secretary).
 - (iii) Two HoDs and one subject expert (members).

The members of the said PMC shall not be below the rank of Associate Professor. A test shall be conducted by Project Monitoring Committee (PMC) at the end of the program and the certificates shall be issued to those participants who have attended the program and have qualified in the test. The minutes of the meetings, along with PMC report, are to be submitted to the Council at end of the program along with other mandatory documents.

- j. Gol GFR rules (@https://doe.gov.in/order-circular/general-financial-rules2017-0) should be followed during utilization of grant.
- k. This Sanction Order may be treated as Offer Letter for all purposes.

NOTE:- Any deviation from the above will invoke serious action against the Institute.

Yours Ancerely,

(Col. B Venkat) Director (FDC)

UTILIZATION CERTIFICATE

Certified that grant-in aid sanctioned by All India Council For Technical Education (AICTE) New Delhi, in favour of The Principal SJCIT, M/s SJC Institute of Technology vide sanction letter no.: 34-66/11/FDC/ STTP/ Policy-1/2019-20, dated 10.08.2020, a sum of Rs.3,39,667/- (Three lakh thirty nine thousand six hundred and sixty seven only) has been utilized for the purpose for which it was sanctioned and details of Expenditure incurred is given below and further the balance of Rs. NIL/- remaining unutilized during the year, will be carried forward for further utilization.

SI. No.	Details of Expenditure	Amount Rs.
1	Brochure, Certificate and printing charges	8,120
2	Registration Kit charges	24,868
3	Food Expenses	1,37,812
4	Remuneration paid to resource persons	70,000
5	Travelling allowance paid to resource persons	50,300
6	Accommodation/Food charges for participants & resource persons	36,069
7	Remuneration paid to Coordinators	5,000
8	Inaugural and valedictory function expenses	10,174
9	Total Expenditure incurred	3,42,343
10	Less: Grant-in aid sanctioned from AICTE	3,39,667
11	Amount of Expenditure incurred by SJCIT	2,676

Certified that we have satisfied ourselves that the condition which the grants were sanctioned, has been duly fulfilled and that we have exercised the following checks to see that the money was actually utilized for the purpose for which it was sanctioned.

ABOUTTHEINSTITUTION

Sri Jagaoguru Chandrashekaranatha Swamiji Institute of situated on Bengaluru – Bellary National Highway (NH44) about the Architect of Modern India, Sir M. Visvesvaraya. The college is environment and is located near Muddenahalli, the birth place of college campus is spread over 62 acres of lush green Jagadguru Sri Sri Sri Dr. Nirmalanandanatha Maha Swamiji. The by Sri Adichunchanagiri Shikshana Trust (R.). The trust is under quality education since 1986. With the divine blessings of 50 Kms from Bengaluru and 20 Kms from Kempegowda Dr. Balagangadharanatha Maha Swamiji the Institute is managed Paramapoojya Jagadguru Byravaikya Padmabhushan Sri Sri Sri Aerospace Engineering courses) and six Post Graduate Computer Science, Information Science, Aeronautical and Programmes (Mechanical, Civil, Electronics & Communication, International Airport. The Institution offers seven Under Graduate lechnology (SJCII) is a premier institute, dedicated to impart Management Engineering, Structural Engineering and MBA. Networking, Computer Science & Engineering, Infrastructure and programme namely Machine Design, Digital Communication & astute visionary & spiritual guidance of Paramapoojya

ABOUT THE DEPARTMEN

The Department of Mechanical Engineering was established in the year 1986. The department is currently offering Under Graduate and Post Graduate Course in Machine Design and is actively pursuing Research and Development, industrial Consultancy and other Professional activities. Further, the department has a VTU approved BGS R&D Centre. Recently, a number of latest instruments / testing equipment including Metallurgical Microscope, Computerized Stress Corrosion Testing Machine, Computerized UTM, FFT Analyzer, Micro and Macro Vickers Hardness Testing Equipment, Ball Milling and Emission Spectrometer, etc., have been added to R&D Centre for conducting advanced research by UG, PG and Ph.D Scholars.

DEPARTMENT VISION AND MISSION

VISION

To be a centre of academic and research excellence in Mechanical Engineering to fulfill societal needs.

MUSSIM

M1: Imparting knowledge and need based training in the field of Mechanical Engineering.

M2: Providing state of the art facilities to carryout research activities related to societal needs.

M3: Promoting Industry-Institute interactions to enhance advances in latest technologies

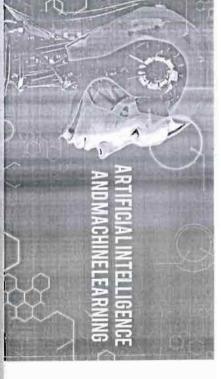

ABOUT AIGH

All India Council for Technical Education (AICTE) was set up in November 1945 as a national-level apex advisory body to conduct a survey on the facilities available for technical education and to promote development in the country in a coordinated and integrated manner.

ABOUT THE PROGRAMME

Artificial Intelligence (AI) is a bigger concept to create intelligent machines that can simulate human thinking capabilities and behavior, whereas, Machine Learning (ML) is an application or subset of AI which allows machines to learn from data without being programmed explicitly. Hence, through this programme, the participants will be able to learn and apply the basic principles, models and algorithms of AI and ML to recognize, model and solve problems in the analysis and design of information systems. The programme is conducted in offline mode so that participants gets handson experience in the relative field.

The participants will be able to analyze the structures and algorithms of selection techniques related to searching, reasoning, machine learning and language processing.

STTP CONTENT

- Introduction to AI and Deep Learning
- Al Libraries and Prerequisites, Al Core Models
- Introduction to Machine Learning
- Data Modeling Techniques
- Python Elementals
- Artificial Neural Network (Feed forward, Convolutional and Recurrent)
- ANN applications (Speech Recognition, Signature Classification and Facial Recognition)
- Industrial Real Time Projects and live Demonstration

RESOURCE PERSONS

Experienced faculty from Premier Institutions/ Universities/ hos Institution, and Industry Experts.

ELIGIBILITY & REGISTRATION FEE

The programme is interdisciplinary, open to the faculty members from AICTE approved institutions, Research Scholars, Participants from Industry, and R&D Organizations. Registration is free for all the participants. Number of participants is restricted to 40. Kindly Email filled and signed registration form to Coordinators at the earliest. Outstation participants will be provided accommodation and boarding in the institute hostel.

IMPORTANT GUIDELINES

- No Registration fee
- Eligible participants will be selected based on" first come first serve" basis
- Test will be conducted at the end of the programme.
- Certificate to the participants will be issued to those who secure 60% of Marks in the test and 80% in attendance while undergoing the programme.
- Travel / Accommodation facility will be provided

UTILIZATION CERTIFICATE

Certified that grant-in aid sanctioned by All India Council For Technical Education (AICTE) New Delhi, in favour of The Principal SJCIT, M/s SJC Institute of Technology vide sanction letter no.: 34-66/11/FDC/ STTP/ Policy-1/2019-20, dated 10.08.2020, a sum of Rs.3,39,667/- (Three lakh thirty nine thousand six hundred and sixty seven only) has been utilized for the purpose for which it was sanctioned and details of Expenditure incurred is given below and further the balance of Rs. NIL/- remaining unutilized during the year, will be carried forward for further utilization.

SI. No.	Details of Expenditure	Amount Rs.
_ 1	Brochure, Certificate and printing charges	8,120
2	Registration Kit charges	24,868
3	Food Expenses	1,37,812
. 4	Remuneration paid to resource persons	70,000
5	Travelling allowance paid to resource persons	50,300
6	Accommodation/Food charges for participants & resource persons	36,069
7	Remuneration paid to Coordinators	5,000
-8	Inaugural and valedictory function expenses	10,174
9	Total Expenditure incurred	3,42,343
10	Less: Grant-in aid sanctioned from AICTE	3,39,667
11	Amount of Expenditure incurred by SJCIT	2,676

Certified that we have satisfied ourselves that the condition which the grants were sanctioned, has been duly fulfilled and that we have exercised the following checks to see that the money was actually utilized for the purpose for which it was sanctioned.

Feedback Form for STTP (Artificial Intelligence and Machine Learning: Basics and Principles)

Institution:
Email id:
Phone No:
The answers (Feedback) to the questions should be either Good, Very Good, Excellent or Poor
1. How would you rate the training content?
2. Rate the appropriateness of size of the training group.
3. How would you rate the quality of the training?
4. How would you rate the overall course content?
5. Rate the suitability of the mix of presentations and activities.
What was the instructor's level of content knowledge?
How was the speed of delivery?
How would you rate their organization and preparation?
How was their enthusiasm?
7. Level of learning anything new
8. Relevance of training towards your needs.

9. How do you feel about the hospitality and food?

10. Do you have any suggestions for improvement?

Participant name:

AICTE sponsored 6 days STTP on Artificial Intelligence and Machine Learning: Basics and Principles

Program Report

The AICTE sponsored 6 days STTP was planned and organized in the Department of Mechanical engineering, SJCIT from 22nd -27th March 2021 on "Artificial Intelligence and Machine Learning: Basics and Principles". The summary of the STTP is given below.

	22 nd March 2021 (Day-1)
9.30 am to 10am	Inaugural function: The Inauguration of the program was organized in
	the Mechanical seminar hall with the presence of Dr K Chidananda
	Gowda, Former Vice-Chancellor of Kuvempu University Mysuru,
	honorable guest and Key note speaker, Dr N Shivarama Reddy, CAO,
	Sri Adichunchanagiri Shikshana trust, Dr T Munikenche Gowda,
	Director BGS R&D, Mr Adithya S K and Mr Supreeth S K, Founder
	and CTO, Co-Founder and CEO, TEQUED Labs, Guests of Honor,
	Principal, Heads of Various Department and Participants from 25
	Colleges.
	Dr K Chidananda Gowda, delivered keynote lecture on "Overview
10 am to 11 am	about AI and ML and its Importance". He stressed the importance of AI
10 am to 11am	and ML with respect to all engineering domains and its applications. He
Session-1	critically emphasized on the history and future of AI in industries. The
	session was very interactive.
	Dr G T Raju, Principal, SJCITdiscussed about "Al and ML
	classification and the various applications in different fields". In his
11.15 am to 1DM	entire discussion he was stressing about the vast areas of applications
11:15 am to 1PM	and the present approach of engineers towards the AI. He also briefly
Session-2	addressed about Artificial Neural Network and its features. Participants
	also shared their difficulties in understanding the Python in some
	particular areas and the same was clarified by the speaker.
2 pm to 3:15 pm	Mr Aditya S K, CTO, Tequed labshas focused mainly on "Python
	Programming Introduction". He discussed on code readability, and its
	syntax allows programmers to express their concepts in fewer lines of
Session-3	code. He emphasized on different interpreters and how to run the
	programs.

3:30 pm to 4:45 pm Session-4	Mr Azibin the session discussed about "Syntaxes (numbers, strings, lists, tuples, dictionaries, loops and arrays)". This session was mainly focused design of Python, uncluttered visual layout and English keywords frequently used in the language. Literals and operators in Python were discussed in detail to explain conditional programming.
- · · · · · · · · · · · · · · · · · · ·	23 rd March 2021 (Day-2)
	Mr Arib Navalhas delivered lecture on "Working of Machine learning".
10 am to 11:30 am Session-1	He stressed the methods of data training, algorithms, testing against test data in real world situation. The complete session was hands on with different examples explained and solved by the trainer and the trainees.
11:45 am to 1:15 pm Session-2	Mr Arib Naval continued on the same topic on "Working of Machine learning". The complete session was hands on with different examples explained and solved by the trainer and the trainees.
2:15 pm to 3:45 pm Session-3	Mr Nithin Nayakhas focused mainly on "Different libraries in Python". He has discussed about the previously available libraries and the libraries available in different languages and the advantage of using libraries like 'numpy', 'pandas', 'matplotlib' 'sklearn etc in Python.
	24 th March 2021 (Day-3)
10:00 am to11:30 am Session-1	Mr Arib Navaldelivered keynote lecture on "Use of "numpy" to create arrays and operate". He discussed onuse of Numpy as a very popular python library for large multi-dimensional array and matrix processing, with the help of a large collection of high-level mathematical functions.
11:45 am to 1:15 am Session-2	Mr Nithin Nayakdiscussed about "matplotlib" to plot continuous data into continuous and non-continuous plots. He discussed about the module named pyplot makes it easy for programmers for plotting as it provides features to control line styles, font properties, formatting axes, etc. It provides various kinds of graphs and plots for data visualization, viz., histogram, error charts, bar chats, etc,
2:15 pm to 3:45 pm Session-3	Mr Mr Aditya S K focused mainly on "pandas" and other libraries to import data sheet for training and testing. The major focus after "pandas" was on "sklearn" containing linear regression to test trained data and predict outcome of unknown data.
	25 th March 2021 (Day-4)
10 am to11:30 am Session-1	Mr Aditya S Kdiscussed on "Digit Recognition". He discussed about importing the dataset and loading the libraries and loading the dataset, processing the data, creating the model, evaluating the model and creating the GUI to predict digits.
11:45 am to 1:15 pm	Mr Dinesh discussed about "openev" library which is one of the type of

Session-2	library to feed data into Digit Recognition along with the prescribed library.
2:15pm to 3:45 pm Session-3	Mr Mohammed Ameerfocused mainly on "photo Recognition and differences". He discussed about grey scaling, image rotating, scikit imaging, Scipy, etc.
	26 th March 2021 (Day-5)
10 am to11:30 am Session-1	Mr Ajibdelivered lecture on "deeper concepts in ML". He stressed on Deep-learning architectures such as deep neural networks, deep belief networks, deep reinforcement learning, recurrent neural networks and convolutional neural networks which have been applied to fields including computer vision, speech recognition, natural language processing, machine translation, bioinformatics, drug design, medical image analysis, material inspection and board game programs, where they have produced results comparable to and in some cases surpassing human expert performance.
11:45 am to 1:15 pm Session-2	Mr Mohammed Ameerhas discussed about "Feed forward Neural Network". He taught about single-layer perceptron network, which consists of a single layer of output nodes; the inputs are fed directly to the outputs via a series of weights and Multi-layer perceptron where in networks use a variety of learning techniques, the most popular being back-propagation. He explained that the output values are compared with the correct answer to compute the value of some predefined error-function.
2:15 pm to 3:45 pm Session-3	Mr Ameenhas focused mainly on "Convolutional Neural Network and Recurrent Neural Network". He explained about difference between CNN and RNN. He explained that the Convolutional neural networks (CNN) are designed to recognize images having convolutions inside, which see the edges of an object recognized on the image whereas Recurrent neural networks (RNN) are designed to recognize sequences, for example, a speech signal or a text. The recurrent network has cycles inside that implies the presence of short memory in the net.
	27 th March 2021 (Day-6)
10 am to11:30 am Session-1	Mr Anirudh Bargurdiscussed "Use of MATLAB in training data using ANN". He stressed ontoolbox which provides command-line functions and apps for creating, training, and simulating shallow neural networks. The programming part was also explained neatly.
11:45 am to 1:15 pm Session-2	Mr Ameenhas discussed about "ANN applications" where in he explained about speech recognition, signature classification and facial recognition.

2:15 pm to 3:15 pm Session-3	Mr Ameenhas focused mainly on "ANN applications". He explained about ANN playing a major role in many areas and explained Multilayer networks, Multilayer networks with recurrent connections, Kohonen self-organizing feature map etc
3.15 pm to 4.15 pm Session-3	Dr N Chikkanna, Regional Director, VTU, Bengaluru, addressed the gathering about the funding agencies of VTU, AICTE and other professional bodies and explained about NEP. He also stressed on the moral and ethical values to be demonstrated by the professors of Engineering Colleges.
3.45 pm to 4.30 pm	Valedictory Function: The Valedictory of the program was organized in the Mechanical seminar hall with the presence of Dr N Chikkanna, Regional Director, VTU, Bengaluruas Chief Guest, Dr G T Raju, Guest of Honor, Dr T Munikenche Gowda, R&D Head, BGS, Heads of Various Department and Participants from 25 Colleges.

Every day of the event, Breakfast, Lunch and Tea with snacks was arranged for all the participants and organizers, 7 participants requested for accommodation and the same has been provided for them and also dinner was arranged for the locally accommodated participants. The feedback about the Workshop, resource persons and facilities were collected through the participants at the end of the program.

Program Monitoring Committee Report

The program monitoring committee comprising the Chairperson, Member secretary and Members (3), have monitored the complete program from start to the end and herewith submitting the report on STTP conducted.

With respect to the letter with Ref no – 34-66/I I/FDC/STTP/Policy-1/2019-20, the institution has planned and decided to conduct offline STTP in the month of December 2020. But due to pandemic it was postponed to march 2020. Again due to the pandemic and unavoidable circumstances a mail has been sent to AICTE seeking permission to conduct STTP offline whenever the circumstances are in favour. Along with it a mail was received from AICTE for extension of time to conduct STTP. Hence the institution planned and decided to organize the STTP in the month of March 2021.

According to the guidelines initially a PMC was formed and at regular basis the committee has conducted meetings to see the program to be executed as per the regulations.

The STTP was scheduled in the month of March 2021 (22nd – 27th), and the invitations were sent to all the colleges and institutions under AICTE and VTU. The same has been sent through mail to the AICTE also.

Total 57 participants from 32 different institutions showed interest by sending the filled registration formsamong which 40 participants were shortlisted from 25 institutions and intimated through e-mail.

The speakers were contacted and the dates were confirmed with them along with the topics to be covered. The extinguished guests were contacted and were briefed about the program along with the area of interest. Finalization of guests was done in the meeting.

The work allotment was done to the faculties in different areas like food, accommodation, guests etc.

On 22nd of March 2021 the program started with inauguration in the presence of Dr K ChidanandaGowda, Former Vice-Chancellor of Kuvempu University Mysuru, honorable guest and Key note speaker, Dr N Shivarama Reddy, CAO, Sri AdichunchanagiriShikshana trust, Dr T MunikencheGowda, Director BGS R&D, Mr Adithya S K and Mr Supreeth S K, Founder and CTO, Co-Founder and CEO, TEQUED Labs, Guests of Honor, Principal, Heads of Various Department and Participants from 25 Colleges.

Dr K ChidanandaGowda, delivered keynote lecture on "Overview about A! and ML and its Importance". He stressed the importance of Al and ML with respect to all engineering domains and its applications. He critically emphasized on the history and future of Al in industries. The session was very interactive.

Dr G The ja, Principal, SJCIT discussed about "Al and ML classification and the various applications in different fields". In his entire discussion he was stressing about the vast areas of applications and the present approach of argineers towards the Al He also receive addressed about Artificial Neural Network and its features. Participants also shared their

difficulties in understanding the Python in some particular areas and the same was clarified by the speaker.

After the speech of the distinguished guests, the participants were addressed in the sophisticated lab with computer and internet facilities for the hands on experience by the experienced speakers and trainers. The program ran for 6 days till 27th March without any issues and on the last day the Valedictory was held after the last session.

Before the 2nd session of day 6, a test (Online mode) was given to the participants and the subject expert from PMC evaluated the answers and announced the eligible participants for the certificates. Before the last session, feedback (online mode) was taken from the participants about the program.

Last session was handled by Dr N Chikkanna, Regional Director, VTU, Bengaluru, who addressed the gathering about the funding agencies of VTU, AICTE and other professional bodies and explained about NEP. He also stressed on the moral and ethical values to be demonstrated by the professors of Engineering Colleges.

The Valedictory of the program was organized in the Mechanical seminar hall with the presence of Dr N Chikkanna, Regional Director, VTU, Bengaluru as Chief Guest, Dr G T Raju. Guest of Honour, Dr T MunikencheGowda, R&D Head, BGS, Heads of Various Department and Participants from 25 Colleges.

After the completion of the program a mail has been sent to AICTE briefing the program conduction and completion along with the photographs of the program.

The PMC, at every step has monitored and guided the program from start to the end and has monitored the use of grants sanctioned by the AICTE for the sole sanctioned purpose as per the guidelines. All the related documents as per the requirement of AICTE has been furnished while submission of the final report.

Date: 18/03/2021

Minutes of Meeting (MOM)

A meeting was organized and conducted including the PMC and with respect to the guidelines of AICTE letter Ref no - 34-66/11/FDC/STTP/Policy-1/2019-20, following points were discussed:

- 1. Allotment of work to the faculties with respect to the STTP.
- 2. Finalization of program schedule.
- 3. Shortlisting of participants from different colleges and organizations.
- 4. Finalization of registration format.
- 5. Finalization of invitation (Internal).
- 6. Finalization of certificate format.
- 7. Finalization of test procedure and number of questions based on which the marks should be allotted.
- 8. Finalization of guest for Valedictory function.

The above following points were discussed in the meeting and committee has arrived at some conclusions with respect to the above mentioned points.

Chairperson	Dr G T Raju (Principal)	Olwarke.
Member Secretary	Dr Veeresh Chandra M S (Coordinator)	TS All Accused
Member 1	Dr R anganatha R (HOD, MED)	R. Jello
Member 2	Prof Sathish Chandra Reddy (HOD, ISE)	SixRedom

Minutes of Meeting (MOM)

A meeting was organized and conducted including the PMC and with respect to the guidelines of AICTE letter Ref no - 34-66/11/FDC/STTP/Policy-1/2019-20, following points were discussed:

- 1. Final questions to be given for test to the participants.
- 2. Evaluation procedure.
- 3. Feedback proforms and format.
- 4. Valedictory arrangements and distribution of certificates.

The above points were discussed to ensure smooth flow of the procedures to be followed while conducting the sessions, test and feedback on the last day of the STTP.

Minutes of Meeting (MOM)

A meeting was organized and conducted including the PMC and with respect to the guidelines of AICTE letter Ref no - 34-66/11/FDC/STTP/Policy-1/2019-20, following points were discussed:

- 1. Evaluation of test papers by the experts.
- 2. Finalization of qualified participants after passing the test.
- 3. Issue of certificates to the qualified participants.
- Feedback link to be circulated among the participants.
 (https://docs.google.com/forms/d/lyHMcGVq7ukadb5Q00i101FQ3zXTA1F40OzUKTzPrXcY/edit?usp=drivesdk)
- 5. List of participants to be announced as qualified and eligible for certificates.

The following points were discussed in the meeting and it was decided to upload the list of eligible participants in the watsapp group created and also on the notice board of MED before valedictory.
