**WOMENS' DAY 2025**

International Women's Day is celebrated globally on March 8 each year to honour the social, economic, cultural, and political achievements of women, while also advocating for accelerating gender equality. International Women's Day serves as a reminder of the ongoing efforts needed to achieve gender equality and empower women and girls globally. It is a day to reflect on progress made, acknowledge challenges that remain, and commit to actions that promote equality and justice for all.

International Women's Day 2025, observed on March 8, adopts the campaign theme "**Accelerate Action**," emphasising the urgency of advancing gender equality. This theme calls for swift, decisive measures to address systemic barriers and biases affecting women in various spheres. It encourages individuals, communities, and organisations to implement effective strategies and amplify efforts that promote women's advancement. By supporting initiatives that empower women and challenge discrimination, we can collectively accelerate the journey toward a more equitable world.
