Prof. Hanumesha A G, Assistant Professor Introduced the Resource person.

The program started with biography of Srinivasa Ramanujan by **Prof. Lohith**, HOD, Department of Library, S J C I T. The students of first semester B.E enthusiastically presented and participated in the events. The students exhibited mathematics models and gave poster presentation on applications of various mathematics topics. Also students gave presentations on various topics related to mathematics day. The below are the list of students who did presentations:

- 1) Vydurya and team (I B.E, CSE branch)

This presentation was about biography of Srinivasa Ramanujan and his works in number theory.

- 2) Chaithra (I B.E, CSE branch)

This presentation was about real time applications of calculus and that was an interactive session.

- 3) Bhuvaneshwar (I B.E, AE branch)

Presentation was about the life of Srinivasa Ramanujan and his contribution to mathematics.

Finally the event concluded with talk by resource person **Dr. Bandaru Mallikarjuna**. Inspiring the students about the importance of mathematics and it's applications in engineering.

Prof. Mahesh V, Assistant Professor, Department of Mathematics proposed the vote of thanks.
