About Teachers' Day

Teachers' Day is celebrated in India every year on September 5 to mark the birth anniversary of Dr. Sarvepalli Radhakrishnan. Dr. S. Radhakrishnan is one of the most renowned writers in contemporary India. He was the first Vice-President and second President of independent India. He has made significant contributions to a variety of subjects starting from theoretical, theological, moral, instructive, communal, and enlightening subjects. He wrote several articles in many recognised journals which are of great importance. The first Teachers' Day in India was marked on September 5, 1962, which was his 77th birthday.

“World Peace Day-Walkathon”

Date: 21/09/2024

World Peace Day-Walkathon

On the Occasion of World Peace Day. On September 21, 2024, district branches of the Indian Red Cross Society, under the Youth Red Cross wing, organized a Walkathon to celebrate World Peace Day. The event saw the enthusiastic participation of 1,000 students from various schools and colleges. The aim of the Walkathon was to promote the ideals of peace, unity, and harmony among the youth, encouraging them to be active contributors to a peaceful society. Several dignitaries were present to flag off the event, and students carried placards and banners with messages of peace. The walk covered Three kilometers, from the Municipal college to Govt. Junior college chickballapur with stops for speeches on the importance of global peace and the role youth can play in fostering it. In this total 20 students of SJCIT NSS Team participated in the program.

Date: 09/11/2024

Blood Donation camp at SJCIT

The SJCIT NSS team and Indian Red Cross Society Chickballapur organized Blood donation camp on 09/11/2024 (Saturday) from 10:00AM to 4:00PM at Aero block SJCIT campus, through which morethan 75 units of blood was donated by both students and the staff members of our SJCIT. It is a way of SJCIT Chickballapur gesture in bringing a ray of hope to contribute to the serious problems of acutes shortage of blood. Our college has been regularly organizing blood donation camps twice in an every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

“Celebration of Indian Constitution Day”

Date: 26/11/2024

Celebration of Indian Constitution Day

On November 26, 2024, India marked a historic milestone by celebrating the 75th anniversary of the adoption of the Constitution. The Constitution, adopted on November 26, 1949, and enforced on January 26, 1950, established India as a sovereign, democratic republic. Constitution Day (Samvidhan Divas) has been commemorated annually since 2015 to honor this transformative moment in India's history. The year-long celebrations, themed "Humara Samvidhan, Humara Swabhimaan" (Our Constitution, Our Pride), are aimed at reiterating the core values enshrined in the Constitution and motivating citizens to uphold its ideals.

In this more than 800 SJCIT students have taken pledge on The Constitution of India.

“Shivangange Mountain Treck”

Date: 26/12/2024

Shivangange Mountain Treck

The SJCIT NSS team along with poojya maha swamijis Sri Adichunchanagiri trust, is successfully organized a trekking camp at Shivagange, Bangalore Rural District on 25/12/2024. This camp aimed to promote physical fitness, environmental awareness, and teamwork among participants, while also providing them with a chance to experience the natural beauty of the region. The Trek was 5.5 km long started at 6:30AM and Ended at 1:30PM. The participants thoroughly enjoyed the scenic trek, fostering a strong sense of shivagange hill throughout the journey. This event marked yet another successful initiative by the NSS SJCIT team, encouraging active engagement and environmental stewardship Thank you to the Sri Adichunchanagire trust for organizing this camp and support in making the trekking camp a success. In this around 240 SJCIT NSS students and 20 Faculties were participated and climb the mountain.

“National Science Day Celebration”

Date: 28/02/2025

National Science Day Celebration

National Science Day is celebrated in India annually on February 28th to commemorate the discovery of the Raman Effect by Sir C.V. Raman. This discovery, for which he was awarded the Nobel Prize in Physics in 1930, is celebrated through various science communication activities across the country. The first celebration took place on February 28, 1987. In This SJCIT has celebrated the National science day on 28th February 2025 by taking pledge and later conduct the talk on Organic Electronics Molecules to Device, Photovoltaic to Sensors at BGS Conference room. Around 380 members have benefited from the program.

Date: 23/04/2025

National Service Scheme, An Awareness program on Youth Mental Health

Executive Summary:

The National Service Scheme (NSS) SJC Institute of Technology (SJCIT) in association with Program for Appropriate Technology in Health (PATH) conducted a successful an awareness program on “**Youth Mental Health**” at SJCIT on 23/04/2025. The event was organized with the aim of generate an awareness early detection and treatment for common mental health problems: Stress, Anxiety and Depression, among young people aged 15-24 years.

Dr. Veena S NSS Convener gave the introduction about the PATH organization and the importance of the mental health program and introduces all the speakers.

Dr. Narayana G, Dean-student welfare SJCIT gave the token of appreciation to the speaker.

Dr. Ravikumar T R gave the vote of thanks to the Management, Speakers and Audience.

Participants:

All First year SJCIT BE students, NSS Volunteers and Staffs attended the program.

**“WORLD ENVIRONMENT DAY
CELEBRATION”**

Date: 05/06/2025

“WORLD ENVIRONMENT DAY CELEBRATION”

On **June 5, 2025**, the department of Civil Engineering and NSS SJC Institute of Technology Chickballapur, organized a meaningful celebration to mark **World Environment Day**, a global event dedicated to raising awareness and inspiring action to protect our planet.

The theme for this year was “**Beat Plastic Pollution**,” emphasizing the urgent need to reduce plastic waste and its devastating impact on ecosystems worldwide. The celebration began with an **Awareness Walk** around the campus, involving enthusiastic participation from students, faculty, and staff. The walk aimed to highlight the growing environmental threat posed by plastic pollution and encourage the campus community to adopt sustainable alternatives to single-use plastics. Following the walk, attendees took part in the **plantation of saplings** across the campus grounds. Around **72 trees** are planted by the students and faculties of SJCIT. This initiative symbolized a commitment to environmental restoration and reminded everyone of the importance of nurturing green spaces that can help combat pollution and support biodiversity.

The main event was an insightful **awareness talk** by **Dr. Bharath A**, Assistant Professor, Department of Civil Engineering, GITAM University Bangalore. Dr. Bharath detailed the severity of plastic pollution — from choking oceans to harming wildlife and contaminating food chains. He emphasized how plastic waste not only threatens natural ecosystems but also poses serious health risks to humans. Dr. Bharath highlighted key points during his talk:

- The global scale of plastic pollution and its impact on terrestrial and marine environments.
- The importance of reducing single-use plastics and promoting sustainable alternatives such as biodegradable materials.
- Practical ways individuals and institutions can minimize plastic waste, including proper segregation, recycling, and adopting reusable products.
- The role of policies and community engagement in tackling plastic pollution effectively.

The event successfully created awareness about the dangers of plastic pollution and empowered the campus community to actively participate in beating plastic pollution. The

celebration reinforced the message that small individual actions, when multiplied across communities, can lead to a significant positive environmental impact.

Through such events, SJCIT continues to inspire environmentally responsible behavior and contribute to building a cleaner, healthier planet for future generations.
